

UDL - Universal Design for Learning

Suggestions from participant
CRP, BRPs

continuity important, should be long term

teachers training for classroom management

sharing strategies that have worked

managing combined classes .teachers shortage

multilingual approach? how can teachers manage? they
can't learn all languages

if small minority speak a different language how to
manage

friendly approach

corporal punishment - counselling, strategies

need individual care and concern

flexibility of approaches necessary

equal opportunities for all children

should not be ignored in activities
